

## Wheelchair Pal<sup>®</sup> II

### Features:

- Designed for transporting patients on I.V. or respiratory therapy.
- Stainless steel, single, non-telescoping pole w/one hook, makes for everlasting durability.
- Quick and easy installation.
- Accommodates I.V. infusion instruments and/or "D" and "E" size oxygen cylinders.
- Discourages wheelchair theft.
- Doesn't encumber patient movability.
